

# The Hungry Caterpillar

Bouncy ♩ = 144

C

Jarman/O'keefe

I'm a caterpillar I've got  
eaten all the garden and the

FMaj7                      G                      G                      C

lots of feet they march me a round finding things to eat. Hungry caterpillar eating  
wooden shed got stung by the bees in the flower bed found a juicy Apple and it

FMaj7                      Emin                      G7                      1. C                      G9                      C                      G7

every day, must find some food to day I've  
looked OK but a worm said go away.

2. C                      C7                      F                      F                      C                      C                      C7

way. Oh gobble gobble munch munch that's all I want to do
